UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101470, 101475, 101085, 120175, 120200, 120210 AND 120215 THE HEALTH OFFICER OF THE COUNTY OF SAN JOAQUIN ("HEALTH OFFICER") AND UNDER THE AUTHORITY OF CALIFORNIA GOVERNMENT CODE SECTION 8634 AND SAN JOAQUIN ORDINANCE CODE SECTION 4-3005, THE SAN JOAQUIN COUNTY PUBLIC HEALTH OFFICER and DIRECTOR OF EMERGENCY SERVICES OF THE COUNTY OF SAN JOAQUIN ORDERS:

1. This Order repeals and replaces the order issued by the Director of Emergency Services on March 21, 2020 and incorporates by reference the directive from the California State Public Health Officer designating Essential Critical Infrastructure Workers. For more information on Essential Critical Infrastructure Workers, see <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>.
2. The intent of this Order is to implement Executive Order N-33-20, issued by Governor Newsom on March 19, 2020, and to ensure that the maximum number of people self-isolate in their homes or places of residence to the maximum extent feasible, while enabling essential services to continue, to slow the spread of COVID-19 to the maximum extent possible. When people Order of the San Joaquin Public Health Officer and County Director of Emergency Services to Stay at Home or Place of Residence

need to leave their homes or places of residence, whether to obtain or perform vital services, or to otherwise facilitate authorized activities necessary for continuity of social and commercial life, they should at all times as reasonably possible comply with Social Distancing Requirements as defined in Section 11 of this Order. All provisions of this Order should be interpreted to effectuate this intent. Failure to comply with any of the provisions of this Order constitutes an imminent threat to public health.

3. All individuals currently living within the County of San Joaquin (the "County") are ordered to stay at home or place of residence. To the extent individuals are using shared or outdoor spaces, they must at all times as reasonably possible maintain social distancing of at least six feet from any other person when they are outside their residence. All persons may leave their residences only for Essential Activities as defined in Section 11, or to work as and Essential Critical Infrastructure Worker as defined by the State Public Health Officer. Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter. Persons experiencing homelessness that are unable to locate shelter should refrain from being in encampments of more than 10 people, and governmental and other entities are strongly urged to make such shelter available as soon as possible and to the maximum extent practicable (and to utilize Social Distancing Requirements in their operation).
4. This Order is issued based on evidence of escalating occurrence of COVID-19 within the County and throughout Northern California indicating that current efforts are not producing the desired result of reducing spread.

Due to the outbreak of the COVID-19 virus in the general public, which is now a pandemic according to the World Health Organization, there is a public health emergency throughout the County. Making the problem worse, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, public activities can result in preventable transmission of the virus. The scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed. However, the evidence in San Joaquin County suggests that the individual efforts taken to date have been insufficient to reduce the transmission rate. County residents must minimize public activities and interactions. By reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in the County.

5. All businesses with a facility in the County are required to cease all activities at facilities located within the County except as needed to maintain continuity of operations of essential critical infrastructure sectors and additional sectors

Order of the San Joaquin Public Health Officer and County Director of
Emergency Services to Stay at Home or Place of Residence

as designated by the State Public Health Officer. Those businesses remaining open to maintain continuity of operations of essential critical infrastructure sectors shall comply with Social Distancing Requirements as defined in Section 11 below, including, but not limited to, when any customers are standing in line.

6. All public and private gatherings of any number of people occurring outside a household or living unit are prohibited, except for the limited purposes as expressly permitted in Section 11. All bars, wineries and brewpubs shall close, all in-dining at restaurants shall cease, with the exception of home delivery and takeout, and all gyms, bingo halls, golf course and card rooms shall close. Nothing in this Order prohibits the gathering of members of a household or living unit.
7. All travel is prohibited, including, but not limited to, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit, except Essential Travel and Essential Activities as defined in Section 11. People must use public transit only for purposes of performing Essential Activities. People riding on public transit must comply with Social Distancing Requirements as defined in Section 11, to the greatest extent feasible. This Order allows travel into or out of the County **only** to perform Essential Activities.
8. This Order also is issued in light of the existence, as of March 25, 2020, of 77 cases of COVID-19 in the County, and likely further significant increases in transmission. This Order is necessary to slow the rate of spread and the County will re-evaluate it as further data becomes available.
9. This Order is issued in accordance with, and incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom, the Declarations of Local Health Emergency issued by the Health Officer on March 12, 2020, the March 17, 2020 Resolution of the Board of Supervisors of the County of San Joaquin Ratifying the Declarations of Local Health Emergency, Governor Newsom's March 12, 2020 Executive Order N-25-20, Governor Newsom's March 19, 2020 Executive Order N-33-20, and the designation by the State Public Health Officer of Essential Critical Infrastructure Workers issued March 20, 2020.
10. This Order comes after the release of substantial guidance from the County Health Officer, the Centers for Disease Control and Prevention, the California Department of Public Health, and other public health officials throughout the United States and around the world, including a variety of prior orders to combat the spread and harms of COVID-19. The Health Officer will continue to assess the quickly evolving situation and may modify or extend this Order, or issue additional Orders, related to COVID-19.
