MAYOR

Public Order Under City of Los Angeles Emergency Authority

Issue Date: March 19, 2020 (Revised May 27, 2020)

Subject: SAFER AT HOME

The novel coronavirus pandemic is a global emergency that is unprecedented in modern history. Profoundly impacting our daily lives, it has inspired Angelenos to respond with courage, compassion, wisdom and resolve to overcome this crisis and help each other.

In a short period of time and at an unprecedented scale, residents in every community have embraced urgent social distancing best practices and aggressive hygienic precaution, not just to protect themselves, but to protect others. Angelenos understand with exceptional clarity that there is only one way to get through this difficult moment: together.

The City's recent emergency orders — curtailing large public gatherings; temporarily closing many government facilities; closing theaters, bars and entertainment venues; prohibiting restaurants from serving to dine-in customers while permitting take-out, delivery and drive-thru; and a ban on evictions of residential and commercial tenants who cannot pay rent due to financial impacts caused by COVID-19 — have been followed with a willing and generous spirit.

While we have previously taken strong action, now the City must adopt additional emergency measures to further limit the spread of COVID-19.

With this virus, we are safer at home.

Wherever feasible, City residents must isolate themselves in their residences, subject to certain exceptions provided below. This Order is given because, among other reasons, the COVID-19 virus can spread easily from person to person and it is physically causing property loss or damage due to its tendency to attach to surfaces for prolonged periods of time.

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare the following orders to be necessary for the protection of life and property in the City of Los Angeles, effective on Friday, April, 10, 2020 at 11:59 PM:

1. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all persons living within the City of Los Angeles are hereby ordered to remain in their homes. Residents of the City of Los Angeles who are experiencing homelessness are exempt from this requirement. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.

2. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all businesses within the City of Los Angeles are ordered to cease operations that require in-person attendance by workers at a workplace. Indoor Malls and Shopping Centers can open to no more than 50% of overall shopping center capacity. To the extent that business operations may be maintained by telecommuting or other remote means, while allowing all individuals to maintain shelter in their residences, this Order shall not apply to limit such business activities. A business that fails to cease operation despite not meeting an exception in this Paragraph or Paragraph 5 may be subject to having its water and power services shut off by the Department of Water and Power for not being in compliance with the Order. The Deputy Mayor of Public Safety, or his written designee, may, after engagement with and a written warning issued to a noncompliant business, refer that business in writing to the Department of Water and Power to shut off water and power services pursuant to this order. Upon receiving such a written referral, the Department of Water & Power is authorized to shut off water and power services to the noncompliant business operating in violation of the Order
