**ADDITIONAL AMENDMENTS TO VENTURA
COUNTY HEALTH OFFICER'S MAY 7, 2020,
ORDER REGARDING RESPONSE TO THE
COVID-19 PANDEMIC**

The Order of the Ventura County Health Officer Supplementing the State Public Health Officer's Order Dated March 19, 2020, to Address the Unique Needs of Ventura County in Response to the COVID-19 Pandemic (dated May 7, 2020) is hereby amended as follows:

1. In Section 11, subdivision (a), the word "only" is stricken from the first sentence, which now reads: "Persons may leave their places of residence only to perform one or more of the following essential activities." (Emphasis added.) After this amendment, the first sentence will read ""Persons may leave their places of residence to perform one or more of the following essential activities:"

2. In Section 11, subdivision (a)(6), subparts (g) and (h) are stricken.

The purpose and intent of these amendments is to clarify that the list of outside activities set forth in Section 11 is not exclusive, and activities not listed may be permitted under existing State and County orders; and to provide that pro shops, snack bars and restaurants associated with golf courses are allowed to be open as long as they comply with all requirements generally applicable to retail shops and food facilities. These amendments shall be effective immediately.

IT IS SO ORDERED:

Robert Levin, M.D.
Ventura County Health Officer
