

Appendix C-2: Additional Activities

General Requirements

The “Additional Activities” listed below may resume, subject to the requirements set forth in the Order and to any additional requirements set forth below or in separate guidance by the Health Officer. These activities were selected to implement an initial measured expansion of activity based on health-related considerations including the risks of COVID-19 transmission associated with types and modes of activity, the ability to substantially mitigate transmission risks associated with the operations, and related factors, such as the following:

- **Increase in mobility and volume of activity**—the overall impact resumption of the activity will have on the number of people leaving their homes and interacting with others in the community;
- **Contact intensity**—the type (close or distant) and duration (brief or prolonged) of the contact involved in the activity;
- **Number of contacts**—the approximate number of people that will be in the setting at the same time;
- **Modification potential**—the degree to which mitigation measures can decrease the risk of transmission.

List of Additional Activities

For purposes of the Order, Additional Activities include the following based on the summarized health risk related rationale:

(1) Small Social Gatherings

- a. Basis for Addition. Social gatherings of small groups of people who engage in support and recreational activities typical within households present a low risk for transmission of the virus that causes COVID-19 if the gatherings take place outdoors.
- b. Description and Conditions: Social gatherings of persons in a Social Bubble, as defined below, may take place if:

1. The gathering takes place outside only, and
2. The participants comply with all other applicable requirements under this Order.

In addition, persons in social bubbles over 12 years of age are strongly encouraged to:

1. Maintain social distancing from each other
2. Wear face coverings

3. “Household Support Unit” means a Stable Group of 12 that is formed for the purpose of engaging in the sort of support and activities that are typical of members of the same household (e.g., childcare, family recreation, etc.), regardless of whether they physically occupy the same dwelling. Each person may be part of only one Household Support Unit, and every resident of a single dwelling unit must be part of the same Household Support Unit, except that a child who resides in more than one dwelling unit as part of a court-ordered shared custody arrangement may be part of the Household Support Unit of each of the child’s custodians.
4. “Childcare Unit” means a Stable Group of 12 (typically 10 children and 1-2 adults) that is formed for the purposes of the Essential Business of childcare under Section 15.f.xxvi. of the Order. Each person (adult or child) may be a part of only a single Childcare Unit, but children in the same household may be part of separate, age-appropriate Childcare Units.
5. “Children’s Extracurricular Activity Unit” means a Stable Group of 12 (typically 10 children and 1-2 adults) that is formed for the purpose of organized recreation under 15.a.iii. Each person (adult or child) may be part of only one Children’s Extracurricular Activity Unit, but children in the same household may be part of separate, age-appropriate Extracurricular Activity Units.

(2) Protests

- a. Basis for Addition: The State of California has issued guidance for participation in in-person protests.
- b. Description and Conditions: Subject to requirements and restrictions of the local jurisdiction in which the protest takes place, persons may participate in protests if they wear Face Coverings and comply with Social Distancing Requirements, and attendance does not exceed 25 percent of the area’s maximum capacity or 100 persons, whichever is lower.
